Please provide estimates for all habitat types **you would like to burn**:

Habitat Type*	Acres
Longleaf pine	
Pine plantation (thinned at least once)	
Mixed age pines	
Mixed pine/hardwoods	
Upland hardwoods	
Fallow field (fescue, bermudagrass, or bahiagrass fields are not eligible)	
Planted native warm-season grasses (little bluestem, indiagrass, etc.)	

*\*Pastures, bottomland hardwoods, and pine plantations that have not been thinned are not eligible for cost-share.*

Has the tract or tracts in question been burned in the last 5 years? \_\_\_\_\_

If yes, how often is the tract(s) burned? \_\_\_\_\_
